Dear Shareholder

ANNUAL GENERAL MEETING AND 2007 ANNUAL REPORT AND ACCOUNTS

1. INTRODUCTION

I am pleased to invite you to attend the Annual General Meeting of Rightmove plc (the "Company") which will be held at 12 Noon on Tuesday 6 May 2008 at the offices of the Company, 4th Floor, 33 Soho Square, London W1D 3QU.

Your involvement in the meeting is valued either in person or by proxy and is an important part of our dialogue with shareholders. The directors and chairmen of the Remuneration, Audit and Nomination Committees will be available at the meeting to answer questions about issues that concern the Company. If you cannot come to the Annual General Meeting ("AGM") you can submit your voting instructions using the enclosed form of proxy to ensure that your vote can be counted. Please complete the form of proxy in accordance with the instructions thereon and return it to the Company's registrars as soon as possible and in any event by no later than 12 Noon on 4 May 2008.

If you prefer, you can submit your proxy electronically either via the Internet at www.capitashareportal.com or, if you are a CREST member, through the CREST system by completing and transmitting a CREST proxy instruction as described in the notes following the notice on pages 8 and 9.

The completion and return of the form of proxy or CREST proxy instruction will not prevent you from attending and voting at the meeting in person, if you so wish.

The full form of the resolutions is set out in the notice of meeting which follows this letter, however, by way of a summary, we will be proposing the following: (a) that the accounts for the year ended 31 December 2007 be received; (b) that a final dividend be declared; (c) that the directors' remuneration report be approved; (d) that Messrs. Forbes and Agnew and Ms. Vezmar be re-elected as directors and Mr. Kemp be elected as director; (e) that KPMG Audit Plc be re-appointed as auditors; (f) that the directors be authorised to allot a percentage of the share capital of the Company and that authority be granted for certain share allotments to take place otherwise than in accordance with the pro rata entitlements of shareholders; (g) that the Company be authorised to purchase its own shares in the market; and (h) that the Company be authorised to make political donations or incur political expenditure. We will also be asking shareholders to approve a number of amendments to the Company's Articles of Association primarily to cater for the new regime on directors' conflicts of interests introduced by the Companies Act 2006.

2. PRESENTATION OF THE REPORT AND ACCOUNTS (RESOLUTION 1)

This resolution deals with the delivery by the directors to shareholders of the accounts of the Company for the year ended 31 December 2007.

3. DIRECTORS' REMUNERATION REPORT (RESOLUTION 2)

The board has presented its directors' remuneration report to shareholders on pages 33 to 41 of the report and accounts for the year ended 31 December 2007. In accordance with the Directors' Remuneration Report Regulations 2002, shareholders will be invited to approve the directors' remuneration report.

4. FINAL DIVIDEND (RESOLUTION 3)

Shareholders are being asked to approve the final dividend, which cannot be more than the amount the directors recommend. If Resolution 3 is passed, the proposed final dividend of 6.0p per ordinary share will be paid on 13 May 2008 to ordinary shareholders who are on the register of members on 11 April 2008.

5. RE-ELECTION OF DIRECTORS (RESOLUTIONS 4, 5, 6 AND 7)

The Articles of Association of the Company and provision A.7.1 of the Combined Code on Corporate Governance provide that any new director appointed by the board during the year may hold office only until the next AGM, when that director must stand for election by the shareholders. Accordingly, Colin Kemp, having been appointed to the board in July 2007, seeks election by shareholders at this year's AGM.

The Articles of Association of the Company also require that one third of the directors retire by rotation at this year's AGM and the Combined Code on Corporate Governance provides that all directors should submit themselves for re-election every three years. Scott Forbes, Jonathan Agnew and Judy Vezmar are retiring by rotation.

Biographical details of the directors proposed for election/re-election are as follows:

Scott Forbes

Scott Forbes was appointed chairman of Rightmove plc in July 2005. He has over 25 years experience in operations, finance and mergers & acquisitions which includes 15 years at Cendant Corporation. Cendant was formerly the largest provider of residential property services worldwide. Scott established the international headquarters in London in 1999 and led this division as group managing director until he joined Rightmove. He was chairman or chief executive of various residential property and travel industry businesses during his tenure at Cendant and held similar roles for other companies in other sectors, including National Car Parks and Green Flag. Prior to his time at Cendant, Scott was a certified public accountant. (Appointed 13 July 2005.)

Jonathan Agnew

Jonathan joined the Board in January 2006 as senior independent director. He was also appointed as chairman of the Remuneration Committee. He is Chairman of Beazley Group, LMS Capital, The Cayenne Trust and Ashmore Global Opportunities. Jonathan was an investment banker for over 25 years, including being a managing director of Morgan Stanley and group chief executive of Kleinwort Benson. He has been Chairman of Nationwide Building Society, Limit and Gerrard Group and has served on the Council of Lloyds. (Appointed 16 January 2006.) (Chairman of the Remuneration Committee, member of the Audit and Nomination Committees.)

Judy Vezmar

Judy is the chief executive officer of LexisNexis ECLA, (Europe, Canada, Latin America and Africa) headquartered in London and a subsidiary of Reed Elsevier. Judy is responsible for expanding the reach and range of LexisNexis' successful online legal research services to customers as the industry continues to shift away from offline hard copy research publications. (Appointed 16 January 2006.) (Member of the Audit, Remuneration and Nomination Committees.)

Colin Kemp

Colin Kemp was appointed to the Board in July 2007. He is managing director of Halifax Bank of Scotland (HBOS) Retail Network, North Division covering bank branches across Scotland, Northern Ireland and the North of England. With over 25 years experience in high street retail banking, Colin has worked for HBOS companies since 1979. His roles have included running the HBOS Retail Contact Centres, one of the largest call centre operations in Europe, and heading up the Halifax Employee Share Services business administering

employee share plans to over 400 UK companies, including 27 of the FTSE 100. From January 2005 to December 2007, he was managing director of Halifax Estate Agents Ltd. Colin is a Cranfield MBA and an Associate of the Chartered Institute of Marketing. (Appointed 3 July 2007.)

Following the annual performance evaluation of the board and the individual directors, the board believes that Scott Forbes, Jonathan Agnew, Colin Kemp and Judy Vezmar continue to demonstrate strong commitment to the Company and to be effective members of the board. The board therefore recommends to shareholders the election/re-election of all four directors by virtue of their skills, experience and contribution to the board.

6. RE-APPOINTMENT OF AUDITORS AND AUDITORS' REMUNERATION (RESOLUTIONS 8 AND 9)

The auditors of the Company must be re-appointed by shareholders at each Annual General Meeting at which the accounts are presented. KPMG Audit Plc have expressed a willingness to continue in office and Resolution 8 proposes their re-appointment until the conclusion of the next general meeting of the Company at which accounts are presented.

In accordance with normal practice, in Resolution 9 the directors seek authority to agree the auditors' remuneration.

7. ALLOTMENT OF SHARES (RESOLUTIONS 10 AND 11)

Your directors may not allot new shares in the Company unless authorised to do so by shareholders in general meeting. The general authority granted in January 2008 is due to expire at the conclusion of the AGM. Accordingly, Resolution 10 will be proposed as an ordinary resolution to grant a new authority to allot unissued share capital up to an aggregate nominal value of £422,940, representing approximately 33.33 per cent of the total issued ordinary share capital (excluding treasury shares) of the Company as at the close of business on 10 March 2008 (being the latest practicable date prior to the publication of this notice). If approved by shareholders, this authority will expire on 5 May 2009 or, if later, at the conclusion of the AGM of the Company to be held in 2009.

All existing executive share options can be satisfied from shares held in the Rightmove Employees' Share Trust without any requirement to issue further shares. It is also expected that the shares held in the Employees' Share Trust will satisfy the existing share options under the Company's Sharesave scheme but where this is not the case, shares will be allotted pursuant to this authority.

Save as described above, the directors have no present intention of issuing any of the authorised but unissued share capital of the Company.

On 10 March 2008 (being the latest practicable date prior to the publication of this notice), the Company held 2,505,430 shares in the capital of the Company in treasury, representing 1.9% of the total issued share capital of the Company.

In Resolution 11 your directors also request limited authority from shareholders to allot shares or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, as the Company would normally be required to do pursuant to the statutory pre-emption rights contained in section 89 of the Companies Act 1985.

The corresponding authority granted in January 2008 is due to expire at the conclusion of the AGM. Accordingly, Resolution 11 will be proposed as a special resolution to renew this authority. If passed, the resolution will allow the Company to deal with pro rata share issues in a more practical manner as regards fractional entitlements to shares, and also to exclude certain overseas shareholders from participating in these share issues in certain circumstances, for example where there are restrictive or onerous laws in such countries. Apart from such offers of shares, this authority will be limited to the issue of shares and sale of treasury shares for cash up to an aggregate nominal value of £64,700 (being approximately five per cent of the total issued ordinary share capital of the Company as at 10 March 2008 (being the latest practicable date prior to the publication of this notice)). If given, this authority will expire on 5 May 2009 or, if later, at the conclusion of the AGM to be held in 2009.

8. PURCHASE OF THE COMPANY'S OWN SHARES (RESOLUTION 12)

Resolution 12, if passed, will provide authority for the Company to purchase its own issued ordinary shares at a price not less one pence per share (exclusive of expenses) and not more than 5% above the average of the middle market quotations of the Company's ordinary shares as shown on the London Stock Exchange Daily Official List for the five dealing days before the purchase is made. The maximum authority sought is up to 15% of the total issued ordinary share capital (excluding treasury shares) as at 10 March 2008 (being the latest practicable date prior to the publication of this notice) to allow sufficient flexibility for the Company to complete its share buy back programme and continue making share buy backs during 2008. The effect of such purchases could be to reduce the number of shares in issue outside treasury (and, if repurchased shares are cancelled, the number of shares in issue) and the directors would accordingly only make such purchases after considering the effect on earnings per share and the benefit of shareholders generally. If given, this authority will expire on 5 May 2009 or, if later, at the conclusion of the AGM to be held in 2009.

In the event that shares are purchased, they would either be cancelled (and the number of shares in issue would be reduced accordingly) or, subject to the Companies Act 1985, retained as treasury shares. Treasury shares may be held by the Company with a view to possible re-sale at a future date rather than being cancelled. The Company will consider holding as treasury shares any shares purchased pursuant to the authority conferred by this resolution. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its share capital.

Your directors wish to emphasise that the maximum number of ordinary shares and the price range are stated merely for the purposes of compliance with statutory and the UK Listing Authority requirements and should not be taken as any representation of the terms upon which the Company may make purchases.

As at 10 March 2008 (being the latest practicable date prior to the publication of this notice), there were outstanding 8,177,045 options to subscribe for ordinary shares representing 6.4% of the Company's issued ordinary share capital (excluding treasury shares). It is expected that all outstanding options to subscribe for ordinary shares will be satisfied from shares held in the Rightmove Employees' Share Trust without the requirement to allot additional shares. If the authority to purchase ordinary shares was exercised in full, the options to subscribe for ordinary shares would represent 7.6% of the then Company's issued ordinary share capital (i.e excluding shares bought back into treasury and/or cancelled.)

POLITICAL DONATIONS (RESOLUTION 13)

Part 14 of the Companies Act 2006, amongst other things, prohibits the Company and its subsidiaries from making political donations and from incurring political expenditure in respect of a political party or other political organisation or an independent candidate unless authorised by the Company's shareholders.

It is the Company's policy not to make any political donation or incur any political expenditure. However, the legislation is widely drafted and it is possible that the Company may wish to support organisations which are not believed to be political in the ordinary sense but which might come within the scope of the provisions in the Companies Act 2006, such as organisations concerned with matters such as the review and reform of government policy or the law. For example, a donation to a humanitarian charity which operates as a political lobby, sponsorship, subscriptions, paid leave to employees fulfilling public duties and payments to industry representative bodies may constitute a donation to a political organisation within the current definitions. Therefore, to avoid any inadvertent infringement of the legislation, the board considers it prudent to seek shareholder approval for the Company to make political donations and incur political expenditure pursuant to the Companies Act 2006.

9. ARTICLES OF ASSOCIATION (RESOLUTION 14)

It is proposed in Resolution 14 to adopt new Articles of Association (the "**New Articles**") in order to update the Company's current Articles of Association (the "**Current Articles**") primarily to take account of the changes in English law brought about by the Companies Act 2006 in relation to directors' conflicts of interest. The principal changes introduced in the New Articles are summarised below. Some more minor changes which merely reflect changes made by the Companies Act 2006 have not been noted. The New Articles showing all the changes to the Current Articles are available for inspection, as noted on page 9 of this document.

The Companies Act 2006 sets out directors' general duties which largely codify the existing law but with some changes. Under the Companies Act, from 1 October 2008 a director must avoid a situation where he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict with the Company's interests. The requirement is very broad and could apply, for example, if a director becomes a director of another company or a trustee of another organisation. The Companies Act 2006 allows directors of public companies to authorise conflicts and potential conflicts, where appropriate, where the articles of association contain a provision to this effect. The Companies Act 2006 also allows the articles of association to contain other provisions for dealing with directors' conflicts of interest to avoid a breach of duty. The New Articles give the directors authority to approve such situations and to include other provisions to allow conflicts of interest to be dealt with in a similar way to the current position.

There are safeguards which will apply when directors decide whether to authorise a conflict or potential conflict. First, only directors who have no interest in the matter being considered will be able to take the relevant decision, and secondly, in taking the decision the directors must act in a way they consider, in good faith, will be most likely to promote the company's success. The directors will be able to impose limits or conditions when giving authorisation if they think this is appropriate.

It is also proposed that the New Articles should contain provisions relating to confidential information, attendance at board meetings and availability of board papers to protect a director being in breach of duty if a conflict of interest or potential conflict of interest arises. These provisions will only apply where the position giving rise to the potential conflict has previously been authorised by the directors. It is the Board's intention to report annually on the Company's procedures for ensuring that the Board's powers of authorisation of conflicts are operated effectively and that the procedures have been followed.

10. ANNUAL GENERAL MEETING

Set out on pages 6 to 9 of this document is a notice convening the Company's AGM, to be held at 12 Noon on 6 May 2008.

The proposed ordinary resolutions will be passed if at least 50 per cent. of the votes cast are in favour and the proposed special resolutions will be passed if at least 75 per cent. of the votes cast are in favour.

The results of the AGM will be published on the investor section of the Company's website at www.rightmove.co.uk/investors.rsp on 7 May 2008.

11. ACTION TO BE TAKEN

Enclosed with this letter is a form of proxy for use in relation to the AGM. Whether or not you intend to be present at the AGM, you are requested to complete and return the form of proxy, in accordance with the instructions printed thereon, to the Company's registrars, Capita Registrars, as soon as possible and in any event to arrive not later than 12 Noon on 4 May 2008. You can return your form of proxy by post to Capita Registrars (Proxies), PO Box 25, Beckenham, Kent BR3 4BR. A reply-paid envelope is enclosed for use in the UK for your convenience. If you prefer you can submit your proxy electronically either via the internet at www.capitashareportal.com or if you are a CREST member, via CREST. The completion and return of the form of proxy will not prevent you from attending and voting at the AGM in person, if you so wish.

12. RECOMMENDATION

Your directors consider all of the proposed resolutions to be in the best interests of the Company and of its shareholders as a whole.

Accordingly, the directors unanimously recommend that you vote in favour of the resolutions to be proposed at the Annual General Meeting, as they intend to do in respect of their own beneficial holdings.

Yours faithfully

Scott Forbes
Chairman

Rightmove plc
(Registered in England and Wales No. 6426485)

Notes:

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact Capita Registrars on 0871 664 0391.
2. To be valid any proxy form or other instrument appointing a proxy must be received by post at Capita Registrars (Proxies), PO Box 25, Beckenham, Kent BR3 4BR no later than 48 hours before the start of the Annual General Meeting or (during normal business hours only) by hand at the Company's Registrars, at Capita Registrars, the Registry, 34 Beckenham Road, Beckenham BR3 4TU to be received no later than 48 hours before the start of the Annual General Meeting.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
4. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
5. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
6. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), Shareholders must be registered in the Register of Members of the Company at 6.00pm on 4 May 2008 (or, in the event of any adjournment, 6.00pm on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
7. As at 10 March 2008 (being the last business day prior to the publication of this notice) the Company's issued share capital consists of 129,399,978 ordinary shares, of which 2,505,430 are held in treasury. Therefore, the total voting rights in the Company as at 10 March 2008 are 126,894,548.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 12.00 Noon on 4 May 2008. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12.
