The completion and return of the form of proxy or CREST proxy instruction will not prevent you from attending and voting at the AGM in person, if you so wish. Please note that you may appoint more than one proxy to exercise rights attached to different shares.

The full form of the resolutions to be proposed at the AGM is set out in the notice of AGM which follows this letter on pages 9 to 11, in Part II of this document. However, by way of a summary, we will be proposing the following: (a) that the Annual Report for the financial year ended 31 December 2011 be received; (b) that the directors’ remuneration report for the financial year ended 31 December 2011 be approved; (c) that a final dividend be declared for the financial year ended 31 December 2011; (d) that KPMG Audit Plc be re-appointed as auditor; (e) that Scott Forbes, Ed Williams, Nick McKittrick, Peter Brooks-Johnson, Jonathan Agnew, Ashley Martin, Colin Kemp, and Judy Vezmar be re-elected as directors; (f) that the directors be authorised to allot a percentage of the share capital of the Company and that authority be granted for certain share allotments to take place otherwise than in accordance with the pro rata entitlements of shareholders; (g) that the Company be authorised to purchase its own shares in the market; (h) that the Company be authorised to make political donations or incur political expenditure and (i) that the Company be authorised to call general meetings (other than annual general meetings) on not less than 14 clear days’ notice.

The directors of Rightmove plc as at 31 December 2011 and as at the date of this letter are named on pages 16 and 17 of the 2011 Annual Report, together with their profiles. All directors served throughout the year under review and are seeking re-election at this AGM, in adherence to the recommendations set out in provision B.7.1 of the UK Corporate Governance Code, formerly the Combined Code.

An explanation of the resolutions that we will be proposing is set out in points 1 to 10 below.

1. PRESENTATION OF THE 2011 ANNUAL REPORT (RESOLUTION 1)

This resolution deals with the delivery by the directors to shareholders of the accounts of the Company and the reports of the directors and auditor for the financial year ended 31 December 2011.

2. DIRECTORS' REMUNERATION REPORT (RESOLUTION 2)

The Board has presented its directors' remuneration report to shareholders on pages 30 to 42 of the Annual Report for the financial year ended 31 December 2011 and, in accordance with section 439 of the Companies Act 2006, gives shareholders notice of its intention to move an ordinary resolution at the AGM approving this report. The vote is only advisory, however, and the directors' entitlement to remuneration is not conditional on the resolution being passed.

3. FINAL DIVIDEND (RESOLUTION 3)

Shareholders are being asked to approve the final dividend in respect of the financial year ended 31 December 2011, which cannot be more than the amount that the directors recommend. If resolution 3 is passed, the proposed final dividend of 11.0p per ordinary share will be paid on 8 June 2012 to ordinary shareholders who are on the register of members at close of business on 11 May 2012.

4. RE-APPOINTMENT OF THE AUDITOR AND AUDITOR'S REMUNERATION (RESOLUTIONS 4 AND 5)

The auditor of the Company must be re-appointed by shareholders at each general meeting at which the accounts are presented. KPMG Audit Plc has expressed a willingness to continue in office and resolution 4 proposes their re-appointment from the conclusion of this AGM until the conclusion of the next general meeting of the Company at which accounts are presented.

In accordance with normal practice, in resolution 5, the directors seek authority to agree the auditor's remuneration.

5. ELECTION OF DIRECTORS (RESOLUTIONS 6 TO 13)

The Articles of Association of the Company and provision B.7.1 of the UK Corporate Governance Code provide that any new director appointed by the Board during the period since the last annual general meeting may hold office only until the next such meeting, when that director must stand for election by the members.

The Articles of Association of the Company also provide that, at every annual general meeting, directors must retire by rotation and may offer themselves for re-appointment by the members where they have been a director at each of the preceding two annual general meetings and did not retire at either such meeting.

However, the Company has decided to adopt the requirements of the UK Corporate Governance Code (formerly the Combined Code) in relation to the annual re-election of all directors. Accordingly, all directors who served throughout the year under review and held office at the date of this letter will be seeking re-election at the AGM in accordance with provision B.7.1 of the UK Corporate Governance Code.

Biographical details of the directors proposed for re-election are as follows:

Following the annual performance evaluation of the Board and the individual directors, the Board believes that, Scott Forbes, Ed Williams, Nick McKittrick, Peter Brooks-Johnson, Jonathan Agnew, Ashley Martin, Colin Kemp, and Judy Vezmar continue to demonstrate strong commitment to the Company and to be effective members of the Board. The Board therefore recommends the re-election of all directors by virtue of their skills, experience and contribution to the Board.

6. ALLOTMENT OF SHARES (RESOLUTIONS 14 AND 15)

Your directors may not allot new shares in the Company unless authorised to do so by shareholders in general meeting. The general authority granted in May 2011 is due to expire at the conclusion of this AGM. Accordingly, resolution 14 is proposed as an ordinary resolution to replace the authority granted in May 2011. If approved by shareholders, this authority will expire at the conclusion of the annual general meeting of the Company to be held in 2013 or, if earlier, the close of business on 8 August 2013.

Resolution 14 grants the directors authority to allot shares in the Company, or grant rights to subscribe for or convert any security into shares of the Company, up to an aggregate nominal value of £358,250, representing approximately 33.33 per cent. of the Company's issued ordinary share capital (excluding shares held in treasury) as at the close of business on 8 March 2012 (being the latest practicable date prior to the publication of this notice).

All existing executive share-based incentives can be satisfied from shares held in the Rightmove Employees' Share Trust ("EBT") or from shares held in treasury, without any requirement to issue further shares. It is intended that the 2012 share-based incentive awards would also be settled from shares held in the EBT or from shares held in treasury so that the Company will not need to issue further shares. It is also expected that the shares held in the EBT will satisfy the existing share options under the Company's Sharesave scheme but where this is not the case, shares will be allotted pursuant to this authority.

Save as described above, the directors have no present intention of issuing any share capital of the Company.

At the close of business on 8 March 2012 (being the latest practicable date prior to the publication of this notice), the Company held 2,505,430 ordinary shares in the capital of the Company in treasury, representing 2.3 per cent. of the total ordinary shares in issue of the Company.

In resolution 15, the directors request limited authority from shareholders to allot shares or sell the shares held in treasury for cash otherwise than to existing shareholders pro rata to their holdings, as the Company would normally be required to do pursuant to the statutory pre-emption rights contained in section 561 of the Companies Act 2006. This resolution will be proposed as a special resolution.

The corresponding authority granted in May 2011 is due to expire at the conclusion of this AGM. Accordingly, resolution 15 will, if passed, renew this authority. If passed, the resolution will allow the Company to deal with pro rata share issues in a more practical manner as regards fractional entitlements to shares, and also to exclude certain overseas shareholders from participating in these share issues in certain circumstances, for example where there are restrictive or onerous laws in such countries. Apart from such offers of shares, this authority will be limited to the issue of shares and sale of shares held in treasury for cash up to an aggregate nominal value of £54,996 (being approximately 5 per cent. of the total ordinary share capital of the Company (including shares held in treasury) as at the close of business on 8 March 2012 (being the latest practicable date prior to the publication of this notice)). If given, this authority will expire at the conclusion of the annual general meeting of the Company to be held in 2013 or, if earlier, the close of business on 8 August 2013. In respect of this aggregate nominal amount, the directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5 per cent, should not take place without prior consultation with shareholders.

7. PURCHASE OF THE COMPANY'S OWN SHARES (RESOLUTION 16)

Resolution 16, if passed, will provide authority for the Company to purchase its issued ordinary shares (excluding shares held in treasury) at a price not less than one penny per share (exclusive of expenses) and not more than (exclusive of expenses) the highest of (i) an amount equal to 105% of the average market value for an ordinary share for the five business days immediately preceding the date of the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out. The maximum authority sought is up to 15 per cent. of the Company's total issued ordinary share capital (excluding shares held in treasury) as at the close of business on 8 March 2012 (being the latest practicable date prior to the publication of this notice) to allow sufficient flexibility for the Company to continue its share buy back programme. The effect of such purchases could be to reduce the number of shares outside treasury (and, if repurchased shares are cancelled, the number of shares in issue) and the directors would accordingly only make such purchases after considering the effect on earnings per share and the interests of shareholders generally. If given, this authority will expire at the conclusion of the annual general meeting of the Company to be held in 2013 or, if earlier, the close of business on 8 August 2013.

In the event that shares are purchased, they would either be cancelled (and the number of shares in the Company would be reduced accordingly) or, subject to the Companies Act 2006, retained as shares held in treasury. Treasury shares may be held by the Company with a view to possible re-sale at a future date rather than being cancelled. The Company will consider holding as treasury shares any shares purchased pursuant to the authority conferred by this resolution. This would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its share capital.

Your directors wish to emphasise that the maximum number of ordinary shares and the price range are stated merely for the purposes of compliance with statutory and the UK Listing Authority requirements and should not be taken as any representation of the terms upon which the Company may make purchases.

As at the close of business on 8 March 2012 (being the latest practicable date prior to the publication of this notice), there were outstanding 5.1 million share-based incentives to subscribe for ordinary shares representing 4.7 per cent. of the Company's ordinary share capital (excluding shares held in treasury). It is expected that all outstanding share-based incentives to subscribe for ordinary shares will be satisfied from shares held in the EBT or from shares held in treasury without the requirement to allot additional shares. If the authority to purchase ordinary shares was exercised in full, the options to subscribe for ordinary shares would represent 4.7 per cent. of the then Company's issued ordinary share capital (excluding shares bought back into treasury).

8. POLITICAL DONATIONS (RESOLUTION 17)

Part 14 of the Companies Act 2006, amongst other things, prohibits the Company and its subsidiaries from making political donations and from incurring political expenditure in respect of a political party or other political organisation or an independent candidate unless authorised by the Company's shareholders.

It is the Company's policy not to make any political donation or incur any political expenditure. However, the legislation is widely drafted and it is possible that the Company may wish to support organisations which are not believed to be political in the ordinary sense but which might come within the scope of the provisions in the Companies Act 2006, such as organisations concerned with matters such as the review and reform of government policy or the law. For example, a donation to a humanitarian charity which operates as a political lobby, sponsorship, subscriptions, paid leave to employees fulfilling public duties and payments to industry representative bodies may constitute a donation to a political organisation within the current definitions. Therefore, to avoid any inadvertent infringement of the legislation, the Board considers it prudent to seek shareholder approval for the Company to make political donations and incur political expenditure pursuant to the Companies Act 2006.

9. NOTICE OF GENERAL MEETINGS (RESOLUTION 18)

Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations, which came into force on 3 August 2009, mean that all general meetings must be held on at least 21 clear days' notice unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Such approval will not affect annual general meetings, which will continue to be held on at least 21 clear days' notice.

Before the coming into force of the Shareholders' Rights Regulations, the Company was able to call general meetings, other than its annual general meeting on 14 clear days' notice without obtaining shareholder approval. In order to preserve this ability, at the 2011 annual general meeting, a resolution was passed allowing the Company to call general meetings (other than annual general meetings) on not less than 14 clear days' notice. This authority expires at the current AGM, and so resolution 18 seeks authority for the Company to be able to continue to call general meetings on not less than 14 clear days' notice. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Please note that the changes to the Companies Act 2006 mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

ANNUAL GENERAL MEETING

Set out on pages 9 to 11 of this document is a notice convening the Company's AGM, to be held at 10am on Wednesday 9 May 2012 at the offices of UBS Limited, 1 Finsbury Avenue, London EC2M 2PP.

The proposed ordinary resolutions will be passed if more than 50 per cent. of the votes cast are in favour and the proposed special resolutions will be passed if at least 75 per cent. of the votes cast are in favour.

The results of the AGM will be published on the investor section of the Company's website at www.rightmove.co.uk/investors on 10 May 2012.

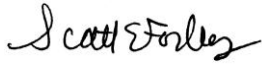

ACTION TO BE TAKEN

Enclosed with this letter is a form of proxy for use in relation to the AGM. Whether or not you intend to be present at the AGM, you are requested to complete and return the form of proxy, in accordance with the instructions printed thereon, to the Company's registrars, Capita Registrars, as soon as possible and in any event to arrive not later than 10am on Monday 7 May 2012. You can return your form of proxy by post to Capita Registrars, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU. A reply-paid envelope is enclosed for use in the UK for your convenience. If you prefer you can submit your proxy electronically either via the internet at www.capitashareportal.com or if you are a CREST member, via CREST. The completion and return of the form of proxy will not prevent you from attending and voting at the AGM in person, if you so wish.

RECOMMENDATION

Your directors consider all of the proposed resolutions to be in the best interests of the Company and of its shareholders as a whole. Accordingly, the directors unanimously recommend that shareholders vote in favour of all resolutions to be proposed at the Annual General Meeting, as they intend to do so in respect of their own beneficial shareholdings.

Yours faithfully

3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
4. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. 6. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6.00pm on Monday 7th May 2012 (or, in the event of any adjournment, 6.00pm on the date which is two working days before the time of the adjourned meeting). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 10am on Monday 7 May 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
